

# How to Fold

## UPS Approved Spirits Packaging

Detailed instructions for folding the outer box and insert  
example of box Type A

11

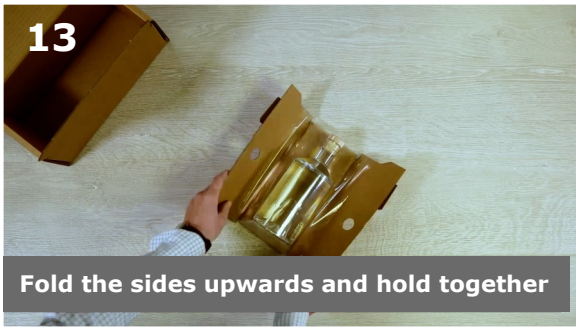

Centre the bottle under the film

12

Fold the top and the bottom flaps back

13

Fold the sides upwards and hold together

14

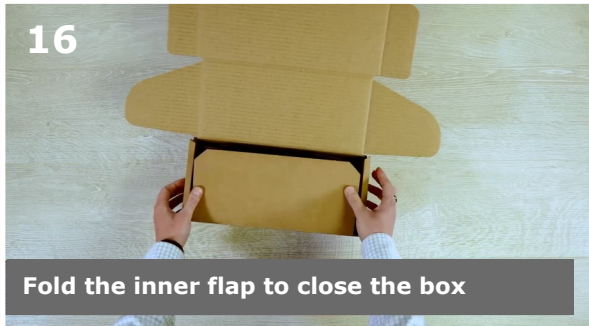

Place the insert into the box

15

Make sure the bottle is tightly wrapped

16

Fold the inner flap to close the box

17

Make sure the bottle is tightly wrapped

18

Tuck in two remaining flaps

19

Seal the box and apply a shipping label

**IMPORTANT TIP:**

Make sure you have selected the right type of box for your bottle. Please refer to the maximum bottle dimensions on the outer box or cited below:

Type A: 245 x 119 x 112 mm

Type B: 270 x 175 x 90 mm

Type C: 355 x 108 x 96 mm

Type D: 318 x 98 x 90 mm

Bottle must be tightly suspended in the film. If the film is loose around the bottle or the bottle moves, it means that the bottle is too small for the selected type.
